

I am going to the library.

Madison Branch

Before I go to the library.

If I am nervous about visiting the library, I can talk to someone and ask questions first. I can call 615-862-5868.

I can ask the person for a tour of the library.

I can ask the person about story time.

Going to Story Time

When it is time for Story Time, the librarian will open the story room doors and welcome everyone inside.

I will try to walk into the story room and sit on the rug quietly. There will be a white board with words so I can follow along.

We will sing the hello song and dance to songs. I can sing and dance with the other children if I want.

Going to Story Time

The librarian will read books and tell stories and rhymes. I will try to stay seated when they read or tell stories so other children can see. I will try to listen while the librarian is talking.

When story time is almost over, we will sing a goodbye song. At the end, the librarian will bring toys to play with. I can play with the toys if I want to.

Before I leave, I can visit the librarian at the help desk to get a stamp or a sticker to take home with me.
